Christmas decorations

- 1 Carefully use scissors to cut out the outlined shapes on this sheet. Ask an adult to help you if you need.
- 2 Use colourful materials from around your house to decorate your shapes. Perhaps you will write your name on it? Or maybe it will be super sparkly and bright!
- 3 Ask an adult to help you to make a hole at the top of your shapes. You can use ribbon or string to make a loop.
- 4 Hang your finished decorations around your house, or perhaps on your Christmas tree!
